

## MONTHLY MARKET DATA FEES FOR PROFESSIONAL USERS

Professional traders are charged additional fees by each individual exchange for live market data. These data fees are in addition to the data fees that Questrade charges you for providing you with market data.

Please contact Questrade if you have questions about being a professional trader or the application of these fees.

DATA TYPE	MONTHLY FEE
<b>Indices</b>	
Index quotes: TSX, TSX Venture, S&P, Dow Jones (also available without a market data package)*	\$6.95
